Capabilities Statement

About us...

The Plummer Group (TPG) is a minority-service disabled veteran owned small business specializing in delivering cross functional expertise in technology solutions, logistics and sourcing, and training and development. We have developed a reputation of integrity, respect, and professionalism through our customized results-driven approach for both our federal and commercial clients. Our team is backed by over two decades of cross functional experience, military service, and accreditations including PMP, CSM, CISM, CISA, AWS, and ITIL_4 certifications.

Core Competencies

- Staffing Services
- Systems Integration and Support
- Logistics & Sourcing
- Training & Development

Differentiators

- Dedication to client success and 10 year track record of meeting and exceeding project objectives on schedule and within budget.
- Consulting professionals with over 25 years of strong logistical skills, application solution expertise, best practices, and past client experiences to provide robust, custom client solutions.
- Customized development solutions that target learning and skill gaps including interactive training, executive coaching, account management, and online learning applications.
